

All Players, Officials and Parents of Whitchurch Hockey Club Players

We are trying to streamline our way of communicating within the hockey club.

With immediate effect we're going to try using an app called TeamApp. This will be the new way of communicating news, events but also (hopefully) the method for requesting player availability and notifying team selections for both senior and junior teams in the 19/20 season. We would therefore like ALL players to sign-up to use the app and/or website.

To get access you can either download the app on Android or Apple or go onto the website <https://www.teamapp.com/app> . Please sign-up for an account and search for "Whitchurch (Shropshire) HC" and request to join the club. Please be aware that there is an old club account on the system DO NOT join that one!

OR we can bulk upload your details (Name & email address) and you will receive an invite from the app itself ... but to do that we need your permission to put your details into the app. The privacy details for the app are here ... https://www.teamapp.com/fair_processing

Can you please either have a look at the webpage/app and request membership, or confirm that you are okay with the club uploading your name & email for the invite?

If you are the guardian of a junior player, please join the app yourself and then add your child through your membership ... you can choose the amount of information you include (name and DoB would be our only requests). You will receive notifications for your child regarding upcoming matches.

If you need any further information, please contact me on

doug.buckeridge@whitchurchhockeyclub.com / 07855 837996

We appreciate your help with this.

Many Thanks

Doug and the WHC Committee
